FRESH FROM THE PRESS

“TRUST ESTATES AS BUSINESS COMPANIES”

By JOHN H. SEARS.

*“The subject * * * is of such great and immediate importance in view of the agitation against corporations, that every business company and every business man ought to look into it carefully at once.—*

MOODY'S MAGAZINE.

An Elaborate Treatment of a Method of Business Organization, Which it is Submitted, Will be Found Superior to Incorporations, Under Existing Conditions, for all Kinds of Legitimate Business, Willing to Pursue a Policy of Honesty and Good Faith.

Many of the greatest corporations of our large cities have already been re-organized on the new basis and many more are interested. Lawyers should be fully informed on this new and important development of the law.

CAREFUL

CENTRAL LAW JOURNAL.

A Treatise upon the Complex System of Constitutional Jurisprudence by which this Country is Governed

THE CONSTITUTIONAL LAW OF THE UNITED STATES

By W. W. WILLOUGHBY, Ph. D.

Professor of Political Science, Johns Hopkins University; Managing-Editor American Political Science Review; Author of "The American Constitutional System," "The Supreme Court of the United States; Its Place and Influence in our Constitutional System," "The Nature of the State," "Rights and Duties of American Citizenship," etc.

IN these two volumes is set forth in philosophical form the Constitutional Jurisprudence of the United States as developed during the 120 years since the adoption of the Constitution. The author has not sought to duplicate the work of digests by collating various constitutional decisions of the Federal Courts, but by a careful and critical study of these decisions, and of the processes of legal reasoning underlying them, has stated the fundamental principles of American public law in so clear, so complete and so systematic a form that the work will, it is confidently believed, be at once received as the standard authority upon the complex system of Constitutional Jurisprudence by which this country is governed.

Especial attention is devoted to those constitutional provisions and principles, the possible implications of which are not yet certainly determined, and which must be relied upon to support the legislative and executive action which may be expected within the near future.

Thus particular care is given to the discussion of such subjects as INTER-STATE COMMERCE, TAXATION, EXECUTIVE AND ADMINISTRATIVE POWERS AND DUE PROCESS OF LAW. Because of this systematic arrangement and its discussion of fundamental principles, the work will be indispensable not only to practicing lawyers but to students of the law as well.

PROF. WILLOUGHBY is the author of several authoritative treatises upon political and constitutional subjects, is the editor of the "American Political Science Review," and head of the department of Political Science at the Johns Hopkins University.

The work contains a full index and analytical table of contents and table of cases, giving references to the Supreme Court Reporter, the Lawyers' Co-op. Edition of the U. S. Reports, as well as the Official Reports of the U. S. Supreme Court.

Willoughby on the Constitution is in two large octavo volumes, handsomely bound in canvas. Price, \$12.00 net, delivered.

progress of the uniform law movement in the Philippine Islands, 303.

WORK AND LABOR.

suit in quantum meruit where express contract has been fully performed, 398.

WORKMEN'S COMPENSATION.

workmen's compensation acts as thus far considered in American cases, 354.

SUBJECT-INDEX

TO ALL THE "DIGESTS OF CURRENT OPINIONS" IN VOL. 76.

This subject-index contains a reference under its appropriate head to every digest of current opinions which has appeared in the volume. The references, of course, are to the pages upon which the digest may be found. There are no cross-references, but each digest is indexed herein under that head, for which it would most naturally occur to a searcher to look. It will be understood that the page to which reference, by number, is made, may contain more than one case on the subject under examination, and therefore the entire page in each instance will necessarily have to be scanned in order to make effective and thorough search.

Accident and Health Insurance—construction of sick benefit claim, 14.

Adverse Possession—color of title, 32; tacking, 158; trustee, 32.

Alteration of Instruments—accommodation endorser, 158; original contract, 382.

Appeal and Error—sustaining motion for new trial, 14.

Assault and Battery—deadly weapons, 140; mental anguish, 140.

Assignments—acknowledgements, 104; action for injury, 140; defined, 32; oral transfer, 140; ~~artial~~, 104; without recourse, 328.

Assignments for Benefit of Creditors—rights of assignee, 86.

Associations—liability, 68.

Attachments—attorney fees, 32.

Attachment—damages, 104; laches, 196.

Attorney and Client—agency, 364; authority, 68, 158; confidential relation, 196, 274; estoppel, 436; ethics, 158; executors, 196; public policy, 292; rule against attorney, 256; scope of authority, 328.

Bank—sufficient recognizance, 32.

Ballment—burden of proof, 50, 274, 382; due care, 454; lien, 178; negligence, 292.

Bankruptcy—actions by trustee, 68; act of bankruptcy, 50, 104; adjudication, 922, 400; after-acquired property, 394; amending proof, 256; amendment, 178; amendment of statute, 32;

ancillary proceeding, 274; attorney for bankrupt, 123; attorney's services, 68; bailment, 140; books and papers, 274; burden of proof, 32, 158, 178; composition, 86, 256; concealing assets, 178; concealment, 104; conditional sale, 274, 382, 400, 418; consideration, 104; conspiracy, 86; contempt, 196; corporation, 68, 400, 454; custodia legis, 364; discharge, 14, 50, 158, 196, 238, 274, 292, 418; diversity of citizenship, 382; dividends, 220; equitable assignment, 104; equity, 68; estoppel, 50, 123, 346, 418; exclusive remedy, 256; exemption, 86, 238, 364, 382, 400, 418; expunging claim, 274; factors, 382; false statement, 346; fiduciary debt, 68, 364; filing claims, 123, 140; filling vacancy, 14; foreign corporation, 418; fraud, 50, 196, 220, 346; fraudulent conveyance, 140, 274; fraudulent transfer, 382; general assignment, 382; good will, 328; indemnity contracts, 14; injunction, 310; insolvency, 256; insurance policies, 14; inventory, 263; jurisdiction, 140, 292; judgment creditor, 274; laborers, 256; lease, 50; lien, 123, 256, 426; local law, 158; mortgage, 238; partnership, 51, 382; payment, 178; place of business, 274; pleading, 32, 238, 310; practice, 50, 158, 196, 274, 292, 328, 364, 400, 418, 436, 454; preference, 14, 32, 50, 140, 158, 178, 196, 256, 274, 292, 346, 364, 328, 436; priority, 256, 454; promise to pay debt, 50; proof of claim, 50, 292; provable claim, 50; provable debt, 104, 382, 454; proximate cause, 104; purpose of law, 436; receiver, 140, 436; recovery of property, 86; referee, 104; Reimbursement, 86; release of liability, 310; remedial, 400; remedies, 104; rent, 140, 256; res judicata, 178, 310, 414; revival debt, 436; schedule, 140, 158; secured claim, 400; secured creditor, 196; self-incrimination, 400; sequestration proceeding, 51; set-off, 454; state court, 418; subscription to stock, 346; taxes, 14; trust, 178; trustee, 32, 86, 104, 123, 196, 292; trustee's title, 51, 275, 346, 400; unlawful conversion, 51; unliquidated claim, 68; unmatured claim, 51; unrecorded mortgage, 238.

Banks and Banking—agency with interest, 364; aiding and abetting, 382; application of de-

posit, 310; bailment, 104; books and papers, 310; burden of proof, 382; certificate of deposit, 104; collection, 346; comptroller, 68; contract, 256; deposit, 382; depositors, 178, 275, 328; estoppel, 220, 364, 382; forgery, 382; illegal dividends, 196; imputed knowledge, 400; insolvency, 140, 158; lien in deposit, 238; negotiable instruments law, 123; notice, 220, 328; overdrafts, 400; stockholders' rights, 14; stopping payment, 123; trading trust fund, 328; trust property, 104; usury, 220, 346.

Work and Labor—assumpsit, 404; implied promise, 278.

CENTRAL LAW JOURNAL

INTERNATIONAL LAW LIST

A list composed of subscribers to the CENTRAL LAW JOURNAL in good standing, and recommended by us to subscribers for use in the interchange of legal business. We advise that terms and fees for service be arranged by correspondence, as bar association rules in different localities make it impossible to publish a uniform scale of fees. Kindly mention the CENTRAL LAW JOURNAL when corresponding with attorneys whose names appear in this list.

NEEDHAM C. COLLIER, EDITOR-IN-CHIEF
ALEXANDER H. ROBBINS, MANAGING EDITOR

You Need This!

Gregory's Common Law Declarations

by

HON. GEORGE C. GREGORY.

What pleading gives you the most trouble?
Your declaration, of course!

How often attorneys have been thrown out of court or limited in their recovery by unfortunate errors in the petition?

This book will save you these mistakes!

Over 100 complete forms, covering every variety of action and dealing with commencement and parties, statement of cause and prayer for relief.

Every form supported by authority!
You cannot afford to be without it—it will pay for itself every week many times over.

PRICE, \$3.00; DELIVERED FREE.

Central Law Journal Company

420 Market Street

St. Louis, Mo.

University of Michigan

Three years' course leading to the degree of LL. B. The degree of Juris Doctor (J. D.) open to graduates of approved universities and colleges. Regular session October to June, inclusive. Credit towards either degree may be obtained through work in the summer session of ten weeks. Law library of about 33,000 volumes. A fourth year of work leading to the degree of Master of Laws and permitting of specialization has been organized. For announcements, address.

DEAN, DEPARTMENT OF LAW,
University of Michigan, Box X, Ann Arbor, Mich.

Was he Guilty?

J. S. was a clerk who attended his employer on a race track to record in a book his employer's bets on the races. Was he guilty of "occupying a place on the ground for the purpose of recording bets," under a penal statute making that a punishable offense?

See "*Occupant—Agent or employee*," in *Words and Phrases*, for the answer

The courts have defined or construed many thousands of words, legal and nonlegal, but all the subject of some legal contest. These definitions can be applied in your practice

Words and Phrases

135,000 definitions. 8 volumes

CENTRAL LAW JOURNAL.

GROUNDS AND RUDIMENTS OF LAW

By W. T. HUGHES.

The *multam in parvo* DESK Cyc-Digest

A KEY AND A GUIDE.

An epitome of all the great federal cases. Is supplementary to all standard works. Gives you the benefit of your own library.

What the North Star is to the mariner a knowledge of the immutable principles of *Jurisprudence* is to the lawyer floundering in the silt of judicial opinion. These are expounded in THE GROUNDS AND RUDIMENTS, Illustrated by hundreds of well-selected and annotated cases—English, Federal and Best State.

These principles will guide exactly as the great trees in the grove which has become crowded and filled by impenetrable undergrowth.

What Crecy did for history in his "Fifteen Decisive Battles," selected as the *datum posts* of history, Mr. Hughes has done for Jurisprudence, selecting as *datum posts* those immutable principles by which alone decisions can be tested. Decisions not illuminated by these principles must like chaff be swept away.

The lawyer's bible." "An apt aid to research." "Furnishes the simplest rules to the attainment of justice." "A library in itself." "A great work for the beginner, as well as for the advanced jurist." "I test decisions by them." "Most valuable work I know." "Intensely practical." "Most valuable epitome of great principles and index thereto."

The best and most compact
MAXIM
LEADING
CASE and
CODE
Work

"My experience is that the leading and controlling cases on any proposition, as well as the maxims and principles applicable thereto, may be found much more quickly in your work than in any other book or set of books to which I have had access.

"The books should be in the hands of every student, who will find them worth more than their weight in gold."

Wm. H. Holly, Chicago.

"A work of marvelous condensation, invaluable alike to both student and lawyer."

Chicago Legal News.

The text in Volume I is supported by a Text-Index of topics, maxims and cases in the following three volumes, arranged in cyclopedic form for independent use as well. Here is found a key to the treasures of well-selected books, old and late. Starting from either the topic, the maxim or the case, the principles are led to and the entire subject elucidated, with supporting cases, English, Federal and best State. For brief illustration: The leading elements of Contract—Assent, Consideration and Legality—may be traced either from the title Contracts, or from their separate alphabetical places.

Assent (or Mutuality) will lead to *Non haec in fædera veni*, and numerous cases, Boston Ice Co., etc.

Consideration will lead to *Ex nudo pacto non oritur action* (nude pact) and to lengthy discussions and groups of cases, Lampleigh, Bartholomew, etc.

Illegality will lead to *In pari delicto potior est conditio defendantis*, and illustrative cases, as *Holman v. Johnson*, *Trist v. Child*, etc.

STUDENTS: You Must Be

"Acquainted with general principles,"
"Familiarized with leading cases,"
"Taught the familiar maxims."

EXAMINE

The GROUNDS AND RUDIMENTS for these essentials in legal education.

(American Bar Asso. 1879; Ill. Law Review, June, 1909.)
